

## Mackay/Rockhampton Island National Parks

**National Park**                      **Latitude** **Longitude**

### *Smith Islands*

- Allonby Island                      20°45'    149°10'
- Anchorsmith Island                20°37'    149°04'
- Anvil Island                        20°38'    149°04'
- Bellows Island                      20°40'    149°04'
- Blackcombe Island                 20°36'    149°11'
- Blacksmith Island                 20°38'    149°04'
- Goldsmith Island                  20°41'    149°09'
- Hammer Island                    20°39'    149°03'
- Ingot Isles (2)                     20°43'    149°08'
- Ladysmith Island                  20°39'    149°05'
- Linne Island                        20°41'    149°11'
- Locksmith Island                  20°39'    149°09'
- Pincer Island                       20°41'    149°06'
- Silversmith Island                 20°35'    149°07'
- Tinsmith Island                    20°41'    149°12'

### *Brampton Islands*

- Brampton Island                  20°48'    149°16'
- Carlisle Island                    20°47'    149°17'

### *Cape Hillsborough*

- Wedge Island                      20°55'    149°04'

### *South Cumberland Islands*

- Aspatria Island                    20°56'    149°28'
- Bushy Island                       20°57'    150°04'
- Calder Island                      20°46'    149°37'
- Cockermouth Island               20°47'    149°24'
- Keswick Island                    20°54'    149°23'
- Penrith Island                     21°01'    149°54'
- Scawfell Island                  20°52'    149°37'
- Wigton Island                      20°44'    149°28'

### *Round Top Island*

- Round Top Island                 21°10'    149°16'

### *Newry Islands*

- Acacia Island                      20°52'    148°56'
- Mausoleum Island                 20°52'    148°56'
- Newry Island                       20°51'    148°55'
- Outer Newry Island               20°51'    148°56'
- Rabbit Island                      20°51'    148°54'

### *Northumberland Islands*

- Beverlac Island                    21°27'    149°52'
- Bluff Island                        21°36'    149°52'
- Curlew Island                      21°36'    149°48'
- Digby Island                       21°30'    149°54'
- Dinner Island                      21°38'    149°49'
- Henderson Island                 21°29'    149°55'

National Park	Latitude	Longitude
---------------	----------	-----------

*Northumberland Islands (Cont)*

• Hirst Island	21°34'	149°49'
• Hull Island	21°28'	149°53'
• Irving Island	21°27'	149°27'
• Keelan Island	21°29'	149°55'
• Minster Island	21°27'	149°51'
• Noel Island	21° 30'	149°53'
• Penn Island	21°30'	149°56'
• Prudhoe Island	21°19'	149°40'
• Renou Island	21°26'	149°49'
• Still Island	21°29'	149°55'
• Treble Island	21°36'	149°49'
• Wallace Island	21° 36'	149°46'

*Percy Isles\**

• North East Island	21°40'	150°20'
• Pine Peak Island	21°31'	150°17'
• South Island	21°45'	150°20'
• Vernon Rocks	21°29'	150°20'

\*non-gazetted group name

*Broad Sound Islands*

• Allandale Island	21°58'	150°23'
• Alnwick Island	22°01'	150°23'
• Annie Island	22°14'	150°17'
• Aquila Island	21°59'	149°34'
• Barren Island	22°02'	149°58'
• Berwick Island	21°59'	150°40'
• Bush Island	22°00'	149°54'
• Calliope Island	21°51'	149°48'
• Cheviot Island	22°05'	150°40'
• Coal Island	22°09'	149°52'
• Connor Island (2)	21°43'	149°40'
• Coquet Island	21°56'	150°06'

- Conical Island                                23°02'      150°53'
- Corroboree Island                              23°03'      150°53'
- Divided Island (2)                              23°18'      150°55'
- Flat Island                                 22°44'      150°59'
- Halfway Island                                23°12'      150°59'
- Hummocky Island                              23°24'      151°09'
- Humpy Island                                23°13'      150°59'
- Miall Island                                23°09'      150°54'
- Middle Island                                23°10'      150°55'
- North Keppel Island                              23°05'      150°54'
- Pelican Island                                23°15'      150°52'
- Perforated Island                              22°39'      150°57'
- Sloping Island                                23°06'      150°54'

**National Park**                      **Latitude Longitude**

***Keppel Bay Islands (Scientific)***

- Barren Island                      23°10'      151°04'
- Peak Island                        23°21'      150°56'

***MacKenzie Island Conservation Park***

- Mackenzie Island                23°31'      150°59'

***Capricornia Cays***

- Erskine Island                    23°30'      151°46'
- Heron Island                      23°27'      151°55'
- Lady Musgrave Island        23°54'      152°24'
- Masthead Island                23°32'      151°44'
- North West Island              23°18'      151°42'
- Tryon Island                      23°15'      151°46'
- Wilson Island                    23°18'      151°55'

***Capricornia Cays (Scientific)***

- Fairfax Island (2)                23°52'      152°22'
- Hoskyn Island (2)               23°48'      152°18'
- One Tree Island                 23°30'      152°05'
- Wreck Island                    23°20'      151°57'

***Curtis Island***

- Curtis Island                      21°35'      151°10'

***Wild Cattle Island***

- Wild Cattle Island (2)        23°59'      151°25'
