

Agency	Program title and program component	Recipient	Purpose of grant / project description	Value (\$)	Approval date	Grant term	Grant funding location	Postcode
GBRMPA	Science for Management Awards	Bettina Glasl	Microbial indicators for water quality and environmental stress assessment of coral reef ecosystems	2,000.00	27/04/2017	2016-17 financial year	Townsville	4811
GBRMPA	Science for Management Awards	Prashant Nair	Microbial impacts of using oil spill dispersants in coral reef ecosystems	2,000.00	27/04/2017	2016-17 financial year	Townsville	4811
GBRMPA	Science for Management Awards	Molly Scott	Investigating the impact of increasing ocean temperature on the biology and depth distribution of a commercially important coral reef fish on the Great Barrier Reef	2,000.00	27/04/2017	2016-17 financial year	Townsville	4811
GBRMPA	Science for Management Awards	Grace Al Moajil-Cole	Ecological and microbial mechanisms of macroalgae regime shift on the Great Barrier Reef	1,500.00	27/04/2017	2016-17 financial year	Townsville	4811
GBRMPA	Science for Management Awards	Rodrigo Gurdek	Temporal variability of self-recruitment and gene flow of <i>Lutjanus carponotatus</i> in the Keppel Islands	1,500.00	27/04/2017	2016-17 financial year	Townsville	4811
GBRMPA	Science for Management Awards	Anne Marie Bauer	Determining the abundance of microplastics on nearshore reefs using indicator species	1,500.00	27/04/2017	2016-17 financial year	Townsville	4811
GBRMPA	Science for Management Awards	Robert Streit	Spatial heterogeneity of algal removal by herbivorous fishes on coral reefs	1,500.00	27/04/2017	2016-17 financial year	Townsville	4811
GBRMPA	Science for Management Awards	Stacy Lynn Bierwagen	Examining coral reef carrying capacity and trophic roles of grey reef sharks in the central Great Barrier Reef	1,500.00	27/04/2017	2016-17 financial year	Townsville	4811
GBRMPA	Science for Management Awards	Caitlin Kuempel	The relative benefits of marine protected area expansion and enforcement on recreational fishing and conservation outcomes in the Great Barrier Reef Marine Park	1,134.00	27/04/2017	2016-17 financial year	Brisbane	4072
GBRMPA	Science for Management Awards	Tania Kenyon	Rising from the rubble: Physical and biological dynamics of rubble fields on the Great Barrier Reef	2,000.00	27/04/2017	2016-17 financial year	Brisbane	4073
