

CONTENTS

SUMMARY	1
ACKNOWLEDGMENTS	4
1.0 INTRODUCTION	5
1.1 Background to the Investigation	5
1.2 Significance to Management	6
1.3 Aims and Objectives	6
2.0 A REVIEW OF RELATED LITERATURE	9
2.1 Recreational Opportunity Spectrum and Limits of Acceptable Change	9
2.2 Conditions Influencing Users' Experiences	9
2.2.1 Other People and Human-made Structures	10
2.2.2 Noise	10
2.2.3 Aircraft Activity	11
2.2.4 Weather and Biophysical Conditions	11
3.0 RESEARCH METHODS	12
3.1 Data Collection Methods	12
3.2 The Study Site	12
3.3 Whitehaven Beach Tour Operators	13
3.4 The Survey Instrument	14
3.4.1 Survey Components	14
3.5 The Procedure	16
3.6 The Sample	16
3.7 On-site Observations	17
3.8 Interest Group Survey	17
3.9 Data Analysis	17
3.10 Limitations of the Investigation	18
4.0 RESULTS	19
4.1 A Description of Visitors to Whitehaven Beach	19
4.2 Previous Visitation to the Whitsunday Region and Whitehaven Beach	20
4.3 A Comparison of Tour Operators and Differences in Visitor Characteristics	22
4.4 Expectations of Whitehaven Beach	22
4.5 Participation in Activities at Whitehaven Beach	23
4.6 Images of Whitehaven Beach	24
4.7 Values Ascribed to Whitehaven Beach	25
4.7.1 Differences in Values Ascribed to Whitehaven Beach based on Visitor Characteristics	25
4.8 A Review of Visitors' Experiences at Whitehaven Beach	26
4.8.1 Visitation Experiences Provided by Whitehaven Beach	26
4.8.2 Classifying Visitor Types Based on Experiences Provided by Whitehaven Beach	27
4.8.3 A Comparison of Visitor Types and Values Ascribed to Whitehaven Beach	28
4.9 An Evaluation of Conditions Experienced at Whitehaven Bay	29
4.9.1 A Summary of On-site Observations Recorded at Whitehaven Beach	29
4.9.2 Aircraft Activity Levels and Sound Impacts	33
4.9.3 The Influence of Conditions on Experiences at Whitehaven Beach	34
4.9.4 Perceived Conditions (Aircraft, Vessels and Crowding) of Whitehaven Beach	34
4.10 Visitors' Satisfaction with their Whitehaven Beach Experience	37
4.10.1 Improvements to Whitehaven Beach	37

4.10.2 Ratings of Trip Satisfaction by Visitors to Whitehaven	38
4.10.3 Future Visitation to the Whitsundays Region	40
5.0 DISCUSSION	42
5.1 Visitors' Experiences of Whitehaven Beach	42
5.2 The Values Ascribed to Whitehaven Beach	43
5.3 Conditions Influencing Visitors Experiences	44
5.4 Images of Whitehaven Beach	46
5.5 Implications for Management	47
5.6 Future Research and Monitoring	48
6.0 CONCLUSION	50
REFERENCES	51
APPENDICES	57
FIGURES	
1. The Great Barrier Reef Marine Park, Australia	7
2. Whitehaven Beach and its location in the Whitsunday Island Group	12
3. Whitehaven Bay settings	13
4. Number of visitors surveyed on each tour operation	17
5. The age distribution of visitors to Whitehaven Beach	19
6. Visitors' place of origin	20
7. Settings visited by respondents	30
8. Weather conditions experienced at Whitehaven Bay by visitors	30
9. Sea conditions experienced in Whitehaven Bay by visitors	31
10. Sea conditions experienced in exposed water by visitors to Whitehaven Bay	31
11. Visitors experiencing seaplane overflights	32
12. Visitors experiencing seaplane events	32
13. Visitors experiencing overflights by helicopters	33
14. Visitors experiencing helicopter events	33
15. Rating of visit to Whitehaven Beach	38
16. Would you recommend Whitehaven Beach to others?	39
TABLES	
1. Number of survey trips and setting visited by each tour operator	14
2. Highest level of education achieved by respondents	19
3. The states from which visitors to Whitehaven Beach resided	20
4. The country of citizenship of visitors to Whitehaven Beach	20
5. The types of groups that visitors to Whitehaven Beach travelled with	21
6. Previous visitation to the Whitsundays region	21
7. Respondents' last visit to the Whitsundays region	21
8. Number of previous visits to Whitehaven Beach by respondents	21
9. Respondents' last visit to Whitehaven Beach	22
10. Type of tour operator and differences in visitor characteristics	23
11. Type of operation chosen by repeat visitors to Whitehaven Beach	23
12. Expected experiences from visitation to Whitehaven Beach	24
13. Activities participated in by visitors whilst at Whitehaven Beach	24
14. Post-visitation images of Whitehaven Beach	25
15. The importance of values associated with Whitehaven Beach	25
16. A comparison of spiritual values held for Whitehaven Beach by international and Australian visitors	26

17.	A comparison of values held towards Whitehaven Beach as a place of scientific research by international and Australian visitors	26
18.	Visitors' evaluation of experiences at Whitehaven Beach	26
19.	Four benefit domains received by visitors to Whitehaven Beach	27
20.	Types (clusters) of Whitehaven Beach visitors based on how much each of the four benefit domains were provided	28
21.	A comparison of values ascribed to Whitehaven Beach based on benefit cluster membership	29
22.	Average numbers observed in each setting of Whitehaven Bay	31
23.	Aircraft observations at Whitehaven Beach	32
24.	Things that added to visitors' enjoyment whilst on Whitehaven Beach	34
25.	Things that detracted from visitors' enjoyment whilst at Whitehaven Beach	35
26.	Visitors' perceptions of the number of aircraft, vessels and people at Whitehaven Beach	35
27.	Perceptions of the distance away from aircraft, vessels and other people on Whitehaven	35
28.	Ratings of noise from aircraft activity, vessels and other people	36
29.	Perceptions of aircraft noise between visitors who experienced no events and those who experienced one or more event	36
30.	Perceptions of aircraft noise between visitors who experienced no aircraft overflight versus those who experienced one or more overflight	36
31.	Conditions that had an influence upon visitors' enjoyment at Whitehaven Beach	37
32.	Suggested improvements to Whitehaven Beach by visitors	37
33.	A comparison of visitors rating of their trip to Whitehaven Beach based on benefit cluster membership	38
34.	Respondents' satisfaction with services provided by operators to Whitehaven Beach	39
35.	A comparison of trip satisfactions based on benefit cluster membership	40
36.	Future holiday destination in the Whitsundays region	41
37.	Type of trip visitors would like to take on a future holiday to the Whitsundays region	41

APPENDICES

1.	Visitor Survey 1	57
2.	Visitor Survey 2	61
3.	Captain's announcement	63
4.	Observation form	64
5.	Interest group information letter and survey	66
6.	A summary of results from the Interest Group Survey	71
7.	Expected experiences from Whitehaven Beach	73
8.	Post-visitation images of Whitehaven Beach	74
9.	Number of aircraft observations by setting over 15 visits	75
10.	A summary of Hamilton's (1999) aircraft review	76
11.	Things that added to visitors' enjoyment whilst at Whitehaven Beach	78
12.	Things that detracted from visitors' enjoyment whilst at Whitehaven Beach	79
13.	Conditions that had an influence upon visitors' enjoyment at Whitehaven Beach	80
14.	Suggested improvements to Whitehaven Beach	81
15.	Future holiday destinations in the Whitsundays region	82
16.	Type of trip visitors would like to take on a future holiday to the Whitsundays Region	83
