

TABLE OF CONTENTS

1.0 INTRODUCTION	1
1.1 Objectives	1
1.2 Use of this handbook	2
1.3 Definitions	3
1.4 Abbreviations	10
2.0 ENVIRONMENTAL CONSIDERATIONS	11
2.1 Background	11
2.2 Impact of marinas	11
2.3 Legislative frameworks	13
2.4 Environmental studies	16
2.5 Design planning and engineering studies	22
3.0 SITING OF MARINAS	24
3.1 Zoning	25
3.2 Wind climate	25
3.3 Wave climate	26
3.4 Water circulation	28
3.5 Implications of sea level changes	30
3.6 Geotechnical and sediment processes	31
3.7 Flora and fauna	32
3.8 Social amenity and infrastructure	35
3.9 Archaeology	36
3.10 Safety	37
3.11 Navigation	37
3.12 Economic considerations	37
3.13 Existing use	38
4.0 DESIGN OF MARINA STRUCTURES AND FACILITIES	39
4.1 Basin	40
4.2 Entrance channel	41
4.3 Fairways	42
4.4 Berthing facilities	42
4.5 Walkways	44
4.6 Reclamations	45
4.7 Piers and pilings	46
4.8 Breakwaters	47
4.9 Fuelling facilities	48
4.10 Amenities	49
4.11 Waste treatment and disposal facilities	50
4.12 Administrative areas	51
4.13 Maintenance areas	51
4.14 Boat launching facilities	53
4.15 Air quality	55

4.16	Parking	55
4.17	Commercial facilities	58
4.18	Revetment design	58
4.19	Aesthetics	58
4.20	Boat clearances from revetments and quay	59
4.21	Fixed moorings	59
4.22	Floating moorings	59
4.23	Choice of materials	60
4.24	Safety requirements	61
5.0	CONSTRUCTION	62
5.1	Dredging and excavation	62
5.2	Mitigation of siltation	67
5.3	Scheduling of activities	68
6.0	OPERATION	70
6.1	Marina operations and maintenance	70
6.2	User education	70
6.3	Boat operation and maintenance	71
6.4	Maintenance dredging	72
6.5	Runoff	73
6.6	Boat wastes	74
6.7	Ecological considerations	76
6.8	Fuel management	77
6.9	Staff training	77
6.10	Noise management	78
6.11	Management handbook	79
6.12	Role of Monitoring	79
7.0	REFERENCES AND FURTHER READING	82
8.0	APPENDICES	84
APPENDIX 1	Legislation which may affect coastal marinas in or adjacent to Queensland and Great Barrier Reef Marine Parks	84
APPENDIX 2	Request for Environmental Impact Statement -terms of reference	87
APPENDIX 3	Typical joint State/Commonwealth terms of reference for an Environmental Study of a coastal marina within or adjacent to the Great Barrier Reef	89

APPENDIX 4	List of typical advisory bodies for assessment of an EIS	99
------------	--	----

APPENDIX 5	Brief guide to Permit Application Assessment Fees	101
------------	---	-----

FIGURES

FIGURE 1	Map of Queensland coast showing Great Barrier Reef Marine Park	12
