

ACKNOWLEDGMENTS

We thank Tony Stokes, Jon Brodie, David Haynes, and Hugh Yorkston from the GBRMPA for their contributions to the content and editing of the report. We are grateful to Ian Prosser (CSIRO Land & Water) for making available data from the National Land and Water Resources Audit. Thanks are also due to the reviewers of the draft document, Rob Coles (Queensland Department of Primary Industries), George Rayment (Queensland Department of Natural Resources) and Miles Furnas (Australian Institute of Marine Science) for their valuable input.
