

## ACKNOWLEDGMENTS

---

A sampling program of this magnitude and geographical scope could not possibly be achieved without the efforts and commitment of a large and disparate group of people. We would like to recognise the efforts of the major organisations listed below, who are involved in maintaining the sampling program:

- *Australian Institute of Marine Science*: Margaret Wright, Michelle Skuza, Miles Furnas and Alan Mitchell
- *Great Barrier Reef Marine Park Authority*: Jon Brodie, David Haynes, Rob McGill, Michael Baer
- *Lizard Island Research Station*: Anne Hoggett, Lyle Vail, Marek Cuhra, Marianne Pearce, Russell Markel, Marnie Horton, Stephanie Warrington, Lois Wilson, Anja Hansen, Dorte Kaadner, Cara Biega, Eunice and Linden Vail, Simone Aeberhard, David Randall, Margaret Hoggett, Perry Hankinson, Roberta Murchison
- *Quicksilver Connections Ltd and Reef Biosearch*: Douglas Baird, Ibrahim Elmetri, Andy Dunstan, Shane Down and Rick Kilpatrick
- *Heron Island Research Station*: Myriam Preker, Mark Waugh, Robyn Sweetapple
- *Queensland Department of Environment and Heritage, Far Northern Region*: Mike Short and Sarah Strawbridge
- *Queensland Department of Environment and Heritage, Northern Region*: Jon Day, John Hicks, David Savage, Norm Land
- *Queensland Department of Environment and Heritage, Central Coast Region*: Paul O'Neill, Chris Maple, John Messersmith and Brian Morris

The preparation of this report benefited greatly from comments by Tenshi Ayukai, John Beardall, Miles Furnas, Laurence McCook and Andrew Moss. The Commonwealth Scientific and Industrial Research Organisation are gratefully acknowledged for the use of figure 2.2, and Kim Davis, Leon Jackson and Brian Dare for production of the final report.
