

# Table of Contents

EXECUTIVE SUMMARY .....	III
INTRODUCTION .....	1
METHODS.....	2
Description of study locality .....	2
Survey methods .....	2
Data Collection.....	3
Geographic Information Systems (GIS).....	3
Analysis .....	4
RESULTS.....	6
Seagrass species and communities .....	6
Seagrass spatial distribution.....	8
Seagrass depth distributions .....	16
Seagrass biomass.....	19
DISCUSSION .....	21
Seagrass abundance and distribution .....	21
Temporal change in seagrass distribution and abundance .....	22
ACKNOWLEDGEMENTS .....	23
REFERENCES .....	23

## List of Figures, Tables & Maps

Figure 1. Location of Hinchinbrook Region study area.....	2
Figure 2. Mean and range of depths of occurrence for seagrass species found between Dunk Island and Cleveland Bay, October 1996. ....	17
Figure 3. Mean and range of depth of occurrence for selected seagrass species at localities between Dunk Island and Cleveland Bay, October 1996.....	18
Figure 4. Means, range and SE for estimated above-ground biomass for seagrass species (all sites pooled) between Dunk Island and Cleveland Bay, October 1996.....	19
Figure 5 . Means ( $\pm$ SE) for estimated above-ground biomass for identified community types between Dunk Island and Cleveland Bay, October 1996.....	19
Figure 6. Means ( $\pm$ SE) for estimated above-ground biomass for selected localities between Dunk Island and Cleveland Bay, October 1996. ....	20
Table 1. Average above-ground seagrass biomass, areal extent of seagrass and code, for each seagrass community type identified in the Dunk Island to Cleveland Bay survey, October 1996. ....	6
Table 2. Average above-ground seagrass biomass and seagrass areal extent of seagrass for selected localities, Dunk Island to Cleveland Bay, surveyed October 1996. ....	16
Map 1. Location of seagrass survey sites between Dunk Island and Cleveland Bay - October 1996. ....	5
Map 2. Location of seagrass meadows between Dunk Island and Cleveland Bay, October 1996. (including Halifax bay and Magnetic Island areas surveyed in 1987).....	9
Map 3. Distribution of seagrass meadows around Dunk and Family Islands (a) and within Missionary and Shepherd Bays (b)- October 1996.....	10
Map 4. Distribution of seagrass meadows within northern Hinchinbrook Channel - October 1996. ....	11
Map 5. Distribution of seagrass meadows within the central Hinchinbrook mangrove system - October 1996. ....	12
Map 6. Distribution of seagrass meadows within southern Hinchinbrook Channel - October 1996. ....	13
Map 7. Distribution of seagrass meadows around the Palm Islands - October 1996. ....	14
Map 8. Distribution of seagrass meadows at Townsville and Magnetic Island (A) and Cleveland Bay (B)- October 1996. ....	15
