

Coastal Seagrass Meadows (1984-1988) and Deepwater Seagrass Sites (1994-1999)

Coastal or 'shallow water' seagrass meadows according to inventory by the Queensland Department of Primary Industry (DPI), and sites where seagrass species have been sampled from deeper waters.

This is a working map produced for the Representative Areas Program of the Great Barrier Reef Marine Park Authority. The information shown is subject to change without notice.
